Back-to-School Bingo

Instructions: Fun for two or more players!

- Listen to the audio as you read the Vocabulary Words below to learn pronunciation.
- Next, print a Bingo Card Squares sheet for each player, plus 1 extra sheet.
- Have each player cut out the squares and rearrange them into a new square so players end up having different cards. No need to check to see that they are all different, most likely they will be.
- Cut the extra sheet squares out and place them in a box or bag.
- Next print a Bingo Markers sheet for each player.
- Have each player cut out their squares and lay them on the table next to their Bingo Card, no particular order is needed.
- To begin play, pull out a square from the box or bag and read aloud.
- If needed, have the Spanish words with the English on a board for all to see.
- Players use their blue Bingo Markers and match them to the correct square on their Bingo card.
- The first player to get 4 across, down, or diagonal shouts "Bingo!" and wins.
- How do you say "Bingo" in Spanish? The same as in English!
